Dear Sir or Madam:

By donating in support of the Honor and Remember campaign, you have joined the ranks of those who strongly believe that generations of our fallen heroes deserve this symbol of continuous gratitude and respect. You may have lost a loved one in military service or a friend or know of someone in your hometown who has. You may even have fought beside someone who died in service to our country.

Whether or not you knew someone individually, you recognize the importance of honoring and remembering the sacrifice made that we may enjoy the freedoms of our nation. Fly the Honor and Remember Flag proudly and join with us as we declare nationally, Thank You! We are grateful not only for the military currently defending our liberties, but to the families, friends and veterans of all those who never returned.

Your gift will not only help educate the nation on this important new symbol of remembrance, but also make it possible to place a personalized Honor and Remember flag in the hands of families who have experienced the supreme sacrifice.

With Sincerest Thanks,

George Lutz, Founder

Please sign the petition, share the vision and fly the flag.
